***Humility ( cont.)***

Saint John Chrysostom teaches:

*He who places humility as the foundation of his character can safely build a building of any height. It (humility) is the strongest palisade, an immovable wall, an impenetrable fortress; it supports the entire edifice and does not allow it to fall... it makes it in accessible to all attacks... and through it God, the lover of mankind, pours out unless his plentiful gifts.” (#779)*
