

Special Petitions for Great/Insistent Litany

Loving Lord, in Your Mercy look with favor upon your servants, N.N., who turn to Your kindness in faith. Hear their plea. Bless their good intentioned undertaking of the catechetical ministry and let them start well without any obstacle and end well for Your glory, almighty King, hear us, we pray You and have mercy.

Lord, You help everyone to do good. So also in Your mercy assist these Your catechists for whom we pray and bless their ministry with success and blessings. Almighty Lord, hear us, we pray You and have mercy.

Assign a guardian angel for their ministry, merciful Lord, to overcome any obstacle of enemies visible and invisible, and to help in achieving growth in faith and love for You. May their ministry teach us all that we are called to missionary discipleship. Hears us, we pray You, and have mercy.

Lord, You command all things to be done for Your glory; grant Your catechists all things necessary to carry out the ministry to which You have called them for Your glory and blessing. Give them health, long life and spiritual joy, generous Creator. Hear us, we pray You and have mercy.

Merciful Lord, look upon Your parish community of missionary disciples, that in seeking to better know You, we may support and encourage those entrusted with the catechesis in our parish, hear us, we pray You and have mercy.
